

Coronavirus – COVID19

We are taking the spread of Coronavirus extremely seriously. Our number one priority is the safety and wellbeing of our customers attending our various events, providing a safe and clean environment for you to enjoy your favourite activities.

We are staying well informed of the developing situation and are following the advice and recommendations from the Government, Public Health England and the World Health Organisation.

We are in contact with the venues we use, who continue to be stringent around hygiene and cleaning regimes including thorough, frequent handwashing. We have also increased our cleaning and disinfecting of equipment touched regularly by team members and customers.

Finally, to help minimise the spread of the virus, we are following the latest Government recommendations and asking any customers with flu-like symptoms not to attend a Something Less Boring event. For those who do attend we'd encourage the use of the hand clean facilities that are available at all the venues we use.

Thank you for your continued support and we look forward to seeing you sometime soon, you our customers are what keeps small businesses like us and our many partners going.

Thank you

Liddy & Adam
